

CALL FOR PAPERS

Quantitative Finance & Data Analytics Meeting Annual Conference 2024

PARIS 23-24 MAY 2024

QFDAM is dedicated to advancing research, discussions, and the exchange of expertise in the domains of quantitative finance and data analytics. This premier event aims to foster collaboration and innovation in these rapidly evolving disciplines. The 2024 edition of the conference places a strong emphasis on sustainability, recognizing its critical role in shaping the future of finance and data analytics.
